Tacombi 1680 Post Road East, Westport, CT

Tacombi originated as a taco truck in Playa del Carmen in 2006, inspired by the 1963 VW “combi.” It now offers vibrant Mexican tacos across U.S. neighborhoods with fresh, house-made tortillas using traditional methods and non-GMO ingredients.

Beyond its menu, Tacombi supports social impact through The Tacombi Foundation and Community Kitchen, distributing meals to food-insecure communities since 2020.
